

ET Services, LLC is a trusted leader in facilities management, construction, healthcare, logistics, IT solutions, and administration. With over 55 years of combined experience, we deliver cost-effective, reliable, and sustainable solutions tailored to the evolving needs of government and commercial clients.

Guided by the principle of "Quality Delivered, Efficiency Achieved," we leverage innovative technologies, industry best practices, and data-driven strategies to improve efficiency, regulatory compliance, and safety while preserving asset value. Quality delivered ensures superior results by consistently exceeding standards, while efficiency achieved reflects our commitment to resource optimization and process optimization.

Our comprehensive program management solutions prioritize performance, regulatory compliance, quality control, and risk mitigation. Through strategic collaboration and transparent communication, ET Services, LLC consistently exceeds expectations, delivering scalable, mission-oriented solutions as a trusted partner in federal government contracting.

Mission and Vision

Mission: To provide efficient, compliant, and mission-ready services to federal, state, and local agencies while building meaningful partnerships that strengthen tribal economic empowerment.

Vision: To be the benchmark of excellence in our industry, delivering high-quality work, exceptional service, and innovative solutions that drive mission success and create lasting value for our partners and communities.

Why Us

With over 55 years of combined expertise, we don't just maintain your facilities; we protect your operations with military precision and unwavering accountability. Our track record speaks volumes: from \$1.7M HVAC overhauls at Joint Base Charleston to continuous 24/7 support at Grady Memorial Hospital since 2020, we deliver results that matter. As a Service-Disabled Veteran-Owned and SBA 8(a) certified company, we bring the discipline of military service to every contract, ensuring regulatory compliance, emergency responsiveness, and cost-effective solutions that keep your facilities operational when failure is not an option. When you partner with ET Services, you're not just hiring a contractor – you're gaining a strategic ally committed to your success, backed by the integrity and excellence that only comes from those who have served our nation.
